

HIRELIFESCIENCE.COM CAREER FAIR 2021

Edison, NJ
October 12, 2021

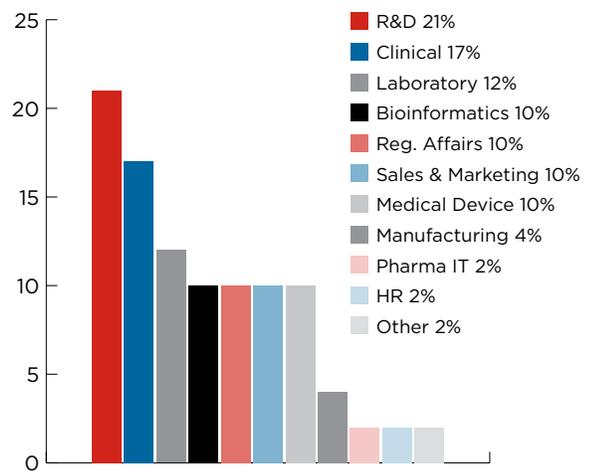

HIRELIFESCIENCE.COM CAREER FAIR 2021

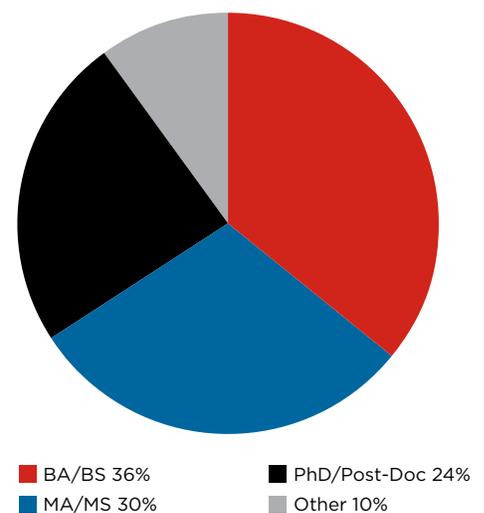

On October 12, 2021, HireLifeScience.com will be holding the 12th annual HireLifeScience.com Career Fair in Edison, NJ. There will be no recruitment agencies participating in this event, making it one of the few times candidates will meet exclusively with direct employers from the life science industries.

EXHIBITOR BENEFITS:

- 500-700 Pre-screened Life Science candidates in one room! In order to guarantee the highest quality turnout, candidate attendees are required to have completed a four-year degree related to Life Science and have at least two years of professional experience.
- Free quarter page color ad in the career fair brochure for candidate review and planning
- 10 Free 90 day job posting slots on HireLifeScience.com which reaches over 100k life science professionals a month
- Hanging company sign for booth in clear view of candidates so you are not missed
- Interview rooms for when you find the potentially perfect candidate and the interview shouldn't wait
- Access to career fair pre-registered resume database prior to event so you can schedule interviews and get a head start for the day - No expiration on login!
- Name badges for all company representatives giving you one less thing to prepare
- Breakfast and lunch for all company representatives at conference center in a relaxed atmosphere
- Easy and convenient parking
- No recruitment agencies cutting competition and unwanted sales pitches
